**MELROSE BAPTIST CHURCH**

*At Melrose Baptist we have many ways for you to join in our fellowship as a community of Believers. One of these is right for you:*

**By Profession of Faith & Baptism** Receiving the gift of eternal life followed by public acknowledgement through baptism by immersion, identifies you as a member of this church and is a testimony of your faith.

**By Statement of Christian Experience** If you are a member of another denomination or unaffiliated church and have been baptized by immersion, you may become a member by simple acknowledge of such and of your desire to join.

If you made a profession of your faith earlier in life but have not been baptized by immersion you are still welcome to membership by baptism.

**By Transfer of Letter** If you are a member of another Baptist church, a letter of membership is simply transferred to our church. We take care of the process.

**By Watchcare** If you are in town on a temporary basis (e.g., a college student) or if you were baptized in a manner other than by immersion, you may still unite in fellowship.

***If you would like to join Melrose Baptist Church, please do the following:  
Come forward during the singing of the hymn of invitation  
Ask our Pastor for help with your decision***

***We will welcome you with open arms to become a member of our church.***
