MELROSE BAPTIST CHURCH

At Melrose Baptist we have many ways for you to join in our fellowship as a community of Believers. One of these is right for you:

By Profession of Faith & Baptism Receiving the gift of eternal life followed by public acknowledgement through baptism by immersion, identifies you as a member of this church and is a testimony of your faith.

By Statement of Christian Experience If you are a member of another denomination or unaffiliated church and have been baptized by immersion, you may become a member by simple acknowledgement of such and of your desire to join. If you made a profession of your faith earlier in life but have not been baptized by immersion you are still welcome to membership by baptism.

By Transfer of Letter If you are a member of another Baptist church, a letter of membership is simply transferred to our church. We take care of the process.

By Watchcare If you are in town on a temporary basis (e.g., a college student) or if you were baptized in a manner other than by immersion, you may still unite in fellowship.

If you would like to join Melrose Baptist Church, please do the following:
 Come forward during the singing of the hymn of response
 Ask our Pastor for help with your decision

We will welcome you with open arms to become a member of our church.
